

HAYLING ISLAND HORTICULTURAL SOCIETY *Trading Centre*

Trading Centre Catalogue

Spring 2024

Introduction

This Catalogue has been designed to show some of the products on sale at the HIHS Trading Centre.

Additional information will appear in the Newsletter to advise on seasonal products, such as bulbs, potatoes and new products added through the year.

We also have a wide range of Vegetable and Flower Seeds. Due to the wide selection available, we are unable to include full details in this Catalogue.

Our Compost Shed holds all the large bulk items.

Staff will be on hand to advise on the products available and to load your purchases into your car.

We accept all forms of payment, cash, cheques, card and electronic transfer through Apple Pay etc.

Peat Free Compost

Melcourt Peat Free All Purpose Compost – 40L

A general purpose 100% peat free compost.

Suitable for potting on, patio gardening, container growing and tree and shrub planting.

New Horizon Peat Free Plant Compost – 50L

Naturally peat free & organic

- A perfect blend biofibre, West+ and Coir+
- Use all round the garden for good results

Provides every plant triple the goodness

Peat Based Compost

Jack's Magic All Purpose Compost – 50L

- Enriched with BIO 3 for performance, sustainability and consistency
- Produces stronger roots, more flowers and foliage
- Ideal for potting, planting and containers
- Great for use all around the garden

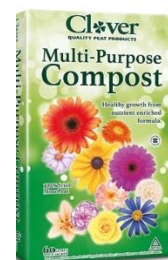

Clover Multi-Purpose Compost – 60L & 20L

A consistent, high quality multi-purpose compost with a nutrient enriched formula and wetting agent

- Contains Irish moss peat

Used for seed sowing, potting, containers and hanging baskets.

Clover Ericaceous Compost – 75L

A carefully formulated compost containing the essential nutrients, trace elements and a wetting agent.

- pH adjusted for lime hating plants.

Suitable for heathers, camellias, azaleas, rhododendrons and other lime hating species

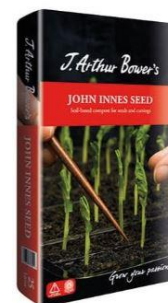

John Innes Compost Seed – 25L

Traditional loam-based compost, perfect for bringing seeds to life.

- Produces higher crop yields & abundant blooms
- For fast healthy germination

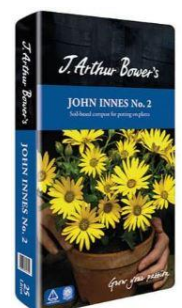

Fine texture

John Innes Compost No 2 25L

Traditional loam-based compost for potting on young plants

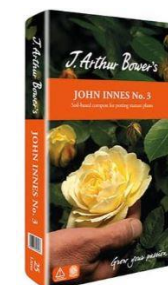

- Encourages flower development
- Feeds and encourages healthy plant growth
- Develops stronger roots

John Innes Compost No3 – 25L

Traditional loam-based compost for mature plants

- Nurtures & sustains growth
- Rich in nutrients for hungry plants
- Encourages new growth

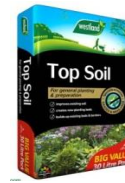

Top Soil

Top Soil – 30L

Quality soil with no debris and stones, used for general planting and lawn preparation.

Specially selected rich clay loam

Perfect for beds and borders, filling hollows and topping up.

Small Bags of Potting Mix

Ericaceous Planting & Potting Mix – 10L

Bulb Planting & Potting Mix – 10L

Orchid Potting Mix – 8L

Houseplant Potting Mix – 8L

Cacti & Succulent Potting Mix – 4L

Citrus Potting Mix – 8L

Grow Bags

Big Tom Tomato Planter - Large

Tomato Planter packed with Nutrients for more tasty and healthy tomatoes. Seaweed enriched for fruit formation. Rich in calcium. Feeds for up to 6 weeks

Bark

Landscape Bark – 90L

30-50mm large chips for maximum coverage.

- Idea for covering pathways and large areas
- Helps suppress weed growth
- Improves moisture retention.

Composted Bark – 70L

Improves soil structure and improves drainage, perfect for mulching.

- Revitalises tired soils
- Helps retain moisture

Slowly releases nutrients into soil

Soil Conditioners Large Bags

Sharp Sand
Pottering Grit

Fertilisers 3kg and 25kg bags

Growmore,
Fish Blood and Bone,
Lime,
Rose Food,
Sulphate of Potash
Sulphate of Ammonia

Soil & Compost Additives

Perlite – 10L

Improves aeration & drainage for healthy root growth. Ideal for use when rooting cuttings & potting-on

Vermiculite – 10L

Helps retain moisture & nutrients
Provides insulation for healthy seed germination

Hydroleca 10L

Water holding clay granules
Creates a beneficial microclimate.
Decorative pot topper.

Garotta Compost Maker

Garotta speeds up the natural process of composting whilst creating better quality compost.

Manures

Pelleted Chicken Manure 8kg Tub & 20kg bag

100% natural pelleted fertiliser

- The ideal feed for flowers, lawns, vegetables, trees and roses.

Early Bird Poultry Manure

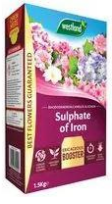

Poultry Manure is the most effective organic material to promote growth and health in plants. Improves soil quality and provides better moisture retention, drainage and aeration

Westland Organic Farmyard Manure – 50 L

Provides a rich, natural source of organic matter and humus. Breaks down naturally in the soil, releasing nutrients

Plant Feed			
Sulphate of Ammonia – 1.5kg Fast acting nitrogen fertiliser to encourage leafy growth. Beneficial for brassicas, lettuce, spinach, rhubarb, leeks & onions		Q4 Fertiliser – 2.5kg The fertiliser for fruit, veg, flowers and roses. Contains the vital plant foods and trace elements essential for vigorous growth, abundant flowering & ripening of fruit.
